

# KATHI'S DANCE AND GYM CENTER

2020-21

As we open for our new season we want to welcome everyone and hope the year is filled with wonderful experiences and personal growth. I want to send a big thank you to all the dancers who participated in the Christmas show, Winter Gala, and “**Into the Woods**”. How proud we were of each one of you. Congratulations to all the KDGC gymnastic competitors for their time and dedication to the sport.

As we embark upon this new season, we are in a situation we would have never imagined at this time last year. We ask for your patience as things are constantly changing. Enclosed you will find the 2020-21 brochure and our protocol for opening under the Covid mandates. Please take the time to review the policies and procedures. Schedules are being sent by email. Please call, email, or text a confirmation that you have received the schedule and confirm your class times. You can call the office at 330.549.2522, email [officekdgc@gmail.com](mailto:officekdgc@gmail.com) or text Lisa at 330.717.8724. If you have a major conflict with the schedule, we will do our best to find a solution that will work. If your child is registered for a class that has more than one choice of class times, please let us know your preference. Due to Covid the flexibility of the schedule is limited. We must adhere to maximum class size and keep the children in one location during their time here.

Remember the schedule is subject to change as registration becomes finalized. The enclosed waiver form and Covid acknowledgement form **must** be filled out for **all returning and new students**. These forms must be collected on their first day of class. Any forms turned in this summer are still active for the upcoming season. If you would like a credit card on file, we need the authorization form filled out as well. We are encouraging everyone to try to have a card on file even if to pay on request only. That way you can just text Lisa when you want to make a payment. Statements will be emailed out the first week of every month. **We do not keep numbers on file year to year. Classes begin on Thursday, September 10h.**

Be sure to check the website for class schedules, payment schedule and studio news and information at [www.kathidgc.com](http://www.kathidgc.com). Also stay in touch with everyone on Kathi's Dance & Gym Center Page on Facebook and on Instagram! Please be sure your email is updated so you can receive all communication through studio emails.
